

Episcopal Community Services of N. California  
2020-2021 Grant Cycle

***Letters of Interest***

In order to help your congregation make your grant application as successful as possible, we are requesting that anyone considering asking for a grant this year submit an informal **Letter of Interest**. This process will help us to plan for the year, and may enable us to be able to offer ways to assist you.

The ECS Board of Directors intends these grants to reflect:

- Ministry programs among poor and oppressed people wherever they are located.
- Social justice ministry in the best tradition of the church. The target populations should be individuals and communities *not* ordinarily included in the congregation.

A **Letter of Interest** for the 2020-2021 **Annual Grant Cycle** and/or the **Warren Dunning Memorial Grant** should include the following:

1. How your ministry will focus on one or more of the following:
  - A) Human rights advocacy
  - B) Human service or health programs
  - C) Lay leadership/empowerment programPlease identify the ministry category and describe in one paragraph your focus activity.
2. A description of the need for this ministry. What do you want to accomplish?
3. The amount of your planned request (up to \$5,000).
4. The endorsement of your clergy in charge **and** your Senior Warden.

Although not mandatory for consideration of your subsequent grant application, those congregations submitting a Letter of Interest will receive priority during the grant application process.

**The Letter of Interest is due by March 15, 2020.**

Please email your Letter of Interest to:  
[bettyharrisonsmith@gmail.com](mailto:bettyharrisonsmith@gmail.com). Please do *not* send it to any other address.

We look forward with joyful anticipation to hearing from you.
