

Kaerus Group Risk Solutions Inc. is a recognized leader in Western Canada in providing customized insurance programs for the outdoor recreation and adventure industries.

We are proud members of the British Columbia Lodges and Campgrounds Association (BCLCA) and are dedicated to working with our clients to reduce loss.

We are a skilled team of loss control specialists who value our relationships and recognize that each client is unique with both their insurance requirements and subsequent risk management programs.

The team stays current on loss events and trends in the industry and are proactive in engaging clients to create risk awareness and work with them to put systems in place to mitigate their exposures.

We look forward to speaking with you.
