PARTNERWITHNATURE.ORG HEAL ECOLOGICAL DAMAGE WHISPERS®

The ecological crisis on this planet is alarming! Practical actions are only half of what is needed for a livable planet.

The other half that's needed to avoid environmental collapse and co-create a habitable planet is YOUR DIRECT AND CONSCIOUS INTERACTION WITH NATURE!

Healing Whispers® do heal ecological damage. How? Through bioenergy and intention-based synergy of consciousness.

Use them when you feel despair because these Whispers will **empower YOU!** How? Because the power of your heart and mind are impacting trees and other Beings of Nature who need healing and balance to withstand extremes of climate change.

SHARING AND CREDIT

You are welcome to freely share these HEAL ECOLOGICAL DAMAGE WHISPERS, but don't change them in any way.

Please send your feedback, stories, and comments to basia@PartnerWithNature.org.

These Whispers are based on the most advanced LightWork and dimensional interactions developed to date by Dr. Jim Conroy. Please credit Dr. Jim Conroy and Ms. Basia Alexander as their authors.

Please send people to PartnerWithNature.org for insight into the meaning and use of Whispers. Please check for blog posts or webinars.

BEGIN HERE:

- When you say (quietly or aloud) each of these Whispers or requests, you are connecting with Nature's Consciousness, Divinity, LIGHT energy, the Elements, and/or other invisible/dimensional helpers.
- Imagine you are inside a ball of LIGHT, like the sun. Feel the radiance; feel peaceful.
- Ask: "Please create a bubble or sphere of protection around me at all levels as I do these Whispers."
- Touch/be near a local tree/plant/living Being: you are in a bioenergy overlap with it.
- Ask permission from it's deep intelligence: "I'd like to help you. Is that okay with you?" If you perceive a "yes", tune-in to what its life is like. Come from its point of view, as if you were seeing through its eyes or feeling with its senses.
- You should feel good or positive as you continue. If you feel bad in any way, stop immediately.
- Pause between each Whisper, allowing feelings or knowings to arise. Please take notes. Share your experiences with basia@PartnerWithNature.org or use #HealEcoDamage on social media.

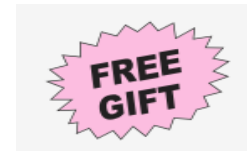

HEAL ECOLOGICAL DAMAGE WHISPERS:

1. "I would like to connect—in humility—with the LIGHT inside of me and the LIGHT within ALL living Beings, sentient forms, and Nature's great consciousness. I am their partner in order to CO-CREATE a healthy and prosperous world for All. I cannot make anything happen; I serve as an intentional and conscious facilitator by ASKING these things of LIGHT and other Divine or dimensional helpers."
2. "CLEANSE! [Pause and breathe.] Cleanse and RELEASE TO TRANSFORMATION any stuck, negative, or distorted energies or forms. [Pause and breathe.]"
3. "I ask that Light Energy, Life Energy, Universal Rhythm, Growth Energy, and Sophiia/Gaia's Life Force be brought in everywhere to fulfill their purposes."
4. "CONNECT the Life Force within each and every ecosystem member and conscious form. JOIN All of their bioenergy fields into community. CONNECTION occurs at all levels, all dimensions."

5. **"RELEASE blockages! I thank the blocking energies for their purposes and ask them to become FLOWING energies by coming into Universal Rhythm—in the Light. I ask Sophiia/Gaia to shift decline patterns into growth patterns."**
6. **"OPEN FLOW and DISTRIBUTE food/food energy and fluid/fluid energy where they are needed—within and between ALL, in all areas, at all levels, and in all dimensions."**
7. **"ORCHESTRATE inner parts, systems, functions, and network patterns to play in HARMONY, within and between All. HARMONIZE All Beings in peace, each with the other and All together."**
8. **"ESTABLISH and ENHANCE general balance and dynamic balance among All—including people—and especially among Beings who are in discord."**
9. **"All Beings and Conscious Forms have goals, ideals, and innate potentials in the dimensional realms. ALIGN each Being's physical structure, bio-energy field, and vibrational song with its dimensional goals, ideals, and innate potentials."**
10. (With special attention to insects, micro-organisms, so-called "invasives", and people...) **"BRING All ecosystem members into COHERENCE with the in-common goals of mutual support, health, growth, strength, synergy, and withstanding extremes."**
11. **"BALANCE All Living Beings to where they live... and... BALANCE where they live to them. BALANCE and STABILIZE All to any human interferences, disruptions, or human-centric intentions. BALANCE human intentions with Nature's needs... (so both Nature and humans can co-create a balanced world.)"**
12. **"I ask Light Energy, Life Energy, Growth Energy, Universal Rhythm, and Sophiia/Gaia—along with the Clearing of Blockages—to FACILITATE CONNECTION, FLOW, AND SPIRALING within and between All Living Beings and Conscious Forms. Connection drives Flow. Flow Drives Connection. Connection & Flow Drive SPIRALING. SPIRALING Drives Connection & Flow."**
13. **"I ASK that the goals, ideals, and innate potentials of each and all Living Beings and Conscious Forms FLOW through SPIRALING... then MOVE from Dimensional Realms to PHASE INTO The Physical..... and back."**
14. **"I thank the Elements and Synergies of Earth, Air, Fire, and Water, and Elemental Form Builders for their interactions and for being my Co-Creators... I ask them to**
 - (a) **Please hold this new whole together greater than the sum of its parts.**
 - (b) **Please help goals, ideals, and innate potentials flow into The Physical and back.**
 - (c) **Please help All withstand changing conditions, negative energies, stressful forces, climate extremes, and any disruptions."**
15. **"I _____ LOVE these Beings and this planet. I am their partner. On their behalf, I have asked these things so that they and I—and our world—can survive and thrive at all levels and in all dimensions. We are unified as One."**
16. **"I give thanks to LIGHT, Life Energy, Universal Rhythm, Growth Energy, Sophiia/Gaia, Nature's Consciousness, Elemental Forces/Synergies and Elemental Form Builders, other invisible helpers, spirits, protectors, guides and masters. I thank All Living Beings, Conscious Forms, The Grand All. I thank myself for doing this."**
