

New England Reptiles

Shells, scales, and slime!

Join Northwest Connecticut Land Conservancy and Riverside Reptiles for an exciting chance to meet New England's reptiles and amphibians. Get an up-close look at these fascinating creatures and learn about where and how they live within our region's habitats.

DATE: Saturday, November 16

TIME: 10 - 11 AM

LOCATION: Washington Montessori School (240 Litchfield Turnpike, Washington, CT)

ADMISSION: Free
