BORUCH DAYAN HAEMES

The world lost a true Adom Gadol yesterday with the Petira of Hagaon Harav Yaakov Zeev Winternitz, ZT"l.

Los Angeles had the Zechus of having the Rav here while he underwent treatment the last few years. He was the Shaliach Tzibur at the 1:35 Mincha at LINK the past few months (he was a chiyuv since his mother was nifteres 4 months ago). His plaintive davening, often punctuated by his soulful cries, left an indelible impression on all of us. He will be buried in his native Eretz Yisrael on Sunday. The tzidkus and ever lasting impression HaRav Winternitz leaves us will truly sit with anyone who was lucky enough to have just seen him let alone spend time with him.

Sadly HaRav Winternitz did not have a penny to his name and the family is left with young children to try to continue on his legendary path but simply cannot do it without our financial help.
