LINK KOLLEL

In light of the matzav in Eretz Yisroel, our great Rabbanim have suggested that in a time of tzara we should fulfill the suggestion of the Ramchal based on the Zohar Hakadosh, Parshas Vayetzei to gather people in the Batei Midrash to learn straight for three days without any interruption whatsoever. This is a great segulah to nullify all decrees.

Therefore, we ask that everybody should accept upon themselves one hour intervals of straight learning for three days straight. We can split this up between many people starting Monday June 23 through Wednesday June 25.

Please sign up through the google excel sheet attached below or on the sheets that are placed in the LINK Beis Medrash.
