EARLIER SHABBOS SHACHARIS

Because of the time change, the latest time for Shema (according to the Gra) this Shabbos is 9:02am. Ideally, the Mishnah Berurah says we should try to finish all three paragraphs of Shema (within the context of the Shacharis davening) by this time. Therefore, we will begin Shacharis much earlier this week at 8:15am. We will start Shochen Ad at 8:45am.

Also because of the time change, Chatzos (Halachic midday) is 11:38am this Shabbos. One should endeavor to make Kiddush before that time. Those who will not be attending the LINK Kiddush should bear this in mind.

KIDDUSH LEVANA

Weather-permitting, we will perform Kiddush Levana this Motzei Shabbos. The latest time to do it for the month of Kislev is Monday night November 23.

We're gearing up for LINK Kollel's Annual Fundraising Campaign, *December 1–4, and we need **YOU* to help make it a success!

This year's theme, *"Empowered By YOU!"*, says it all.

Every day, LINK is changing lives — through the powerful Torah learning in our Beis Medrash, the growth of our Kollel families, the inspiration reaching hundreds of young adults, and the countless programs that strengthen our entire community.

Baruch Hashem, LINK continues to grow, and with that growth comes an ever-increasing responsibility to sustain and expand everything we've built.

Our annual campaign is LINK's primary source of financial support, and we are counting on YOU to help secure its future.

We are inviting you to become a Campaign Ambassador — to reach out to your friends, family, and personal networks and help us share LINK's extraordinary impact.
