

Partner Celebration & Volunteer Day

Lower Salt River Restoration Project

Saturday, December 7
8 am—2 pm

Activities

- Learn about riparian forests, what is ailing them, and why we should help,
- Plant cottonwood and willow trees in areas once occupied by invasives,
- Make seed balls of wildflower forbs important for pollinators and wildlife,
- Create make-shift fences out of tamarisk wood to protect newly planted trees,
- Celebrate with project partners and hear from community leaders.

Kids ages 8 and up welcome!

**Parking and Carpool/Shuttles at
Phon D Sutton Recreation Area**

From Mesa, travel east on the Superstition Freeway (US 60) to Power Road /Bush Highway/Forest Road (FR) 204 and turn north. Follow Bush Highway for 9 miles to FR 169, and turn left. Follow FR 169 for 1 mile to the site. The entire route is paved.
