Field Trip, Wednesday July 1, 2:45 pm

What to bring: binoculars, water, insect repellent, hat, snacks, sunscreen, and other personal gear. Wear boots or comfortable walking shoes.

Field Trip, Thursday July 2, 6 am

Patagonia-Sonoita Creek Preserve

6 am: Meet your team at pre-arranged spot and bird

9 am: Meet on Preserve Lawn- review data sheet, questions, wrap-up.

What to bring: binoculars, water, insect repellent, hat, snacks, sunscreen, clipboard, data sheets, pencils and other personal gear. Wear hiking boots or water shoes (you might get wet).

NOTE: You have been assigned to a field team and specific meeting time and location will be shared by your team leader prior to July 13. In order to facilitate the best possible field experience (and minimize disturbance to birds) given our large group, teams will be assigned to a specific site, all within the Sonoita Creek Preserve. Parking and meeting specifics will be shared by team leaders. You'll receive an email with a link to the field team rosters.

Rosters will also be posted in the meeting room.

THANKS for Attending!

Please be on the lookout for a training evaluation survey to be sent via email. Your candid feedback will help us improve the training in 2021
