Funding Information

Facilitators

Facilitators must already be trained to lead an approved parenting program
- Examples: Nobody's Perfect, Circle of Security or a culturally-based parenting program

Expenses

- When applying, consider expenses that reduce barriers to attending a program (for example: childminding)
- Funding is limited

2026 Intake

Connect with your local Community Wellness Facilitator for more information about the fall 2026 HTN Intake: HTN Community Contact

Supporting child development is one of the best investments we can make. It helps to reduce inequities and gives children a better chance to grow up healthy, build positive relationships and participate in their communities.
