

Recent REVM Focuses on Ordained Ministry in European Context

by Rev. Elder Mona West, PhD

The Office of Formation and Leadership Development (OFLD) held the first REVM in Europe 30 August - 1 September in conjunction with the Europe Network gathering at Lake Como, Italy.

Previous REVMs have been held in the United Kingdom, but this is the first REVM offered for persons discerning a call to ordained ministry in a European context.

Rev. Maxwell Reay, the OFLD Coordinator for Europe, was instrumental in designing and implementing the REVM program, along with faculty members Rev. Elder Cecilia Eggleston and Rev. Elder Mona West. The OFLD is also grateful for the assistance of Mr. Jochen Gewecke and Pastor Mario Bonfanti for site logistics.

The Readiness to Enter Vocational Ministry (REVM) program is designed to deepen a participant's understanding of what it means to be a professional minister in MCC while providing opportunities to explore and share one's call to ordained ministry in MCC in light of the priesthood of all believers.
