Make a difference

Impact a life and/or an entire community!

Most who donate so generously to MCC have been personally impacted by our ministry and have directly experienced its power. They have had their own lives changed (sometimes saved!) and they want others around the world to have the same chance.

By becoming a **Partner in Hope**, you will be one of those people who are making a difference by **changing lives around the globe**. We hear the stories every day, and it takes financial support to ensure that we can continue this and do more in the future. Sometimes, this is truly a matter of life and death.

Will you partner with us?

Everyone who makes a recurring monthly contribution to MCC is automatically a member of our **Partners in Hope** program. And in **gratitude** for your gift and your investment in our shared mission, we will provide you with advanced notice of the news about our successes from the frontlines.

We also want to hear from you. Please share with us your stories, your questions, your wisdom, your ideas, and your dreams. This is a partnership, after all, and we know that we are better, and we do our best work when we are working together.

MCC Participates in Equality Florida's "Pride at the Capitol"

Equality Florida, the largest civil rights organization dedicated to securing full equality for the LGBTQ+ community in Florida, USA, held a recent press conference at the Florida Capitol to address the anti-LGBTQ+ legislation and the surge of attacks on minority groups in Florida. The event was called "**Pride at the Capitol**," followed by another event, "**Let Us Live March for Trans Rights**".

Over 30 members of the **MCC Florida Network** joined the event. MCC was also represented by our **Moderator, Rev. Elder Cecilia Eggleston**, former **Moderator, Rev. Elder Dr. Nancy Wilson**, **Senior Pastor of Suncoast MCC** and **James Hartman**, **Press Relations for MCC**.

Flourish's Global Youth & Young Adult Project

There are many amazing young people and young adult leaders in MCC. **The Flourish Global Youth & Young Adult Project**, co-ordinated by **Rev. Patrick Landau** aims to support MCC's young people and develop programs to meet their needs.

Rev. Patrick is already connecting with MCC congregations to find out about their existing youth and young adult programs. Feedback from MCC's young people and our congregations will provide the framework for the design and implementation of this important project.
