**Job #:** 35247    **Location:** Richmond, VA    **Posting Closes:** 12/4/2020 @ 11:59pm EST

**Point of Contact:** Matt Kellam, Military Program Coord. ([MilitaryRelations@dominionenergy.com](mailto:MilitaryRelations@dominionenergy.com))

## Summary

This role is responsible for ensuring the successful operation and management of a portfolio of renewable energy facilities. The successful candidate collaborates with the site O&M team, partners, vendors and internal resources to maximize performance while prioritizing safety, compliance and ethics. This role is expected to visit the assets frequently and provide direction/feedback directly to O&M providers. This role supports multiple project sites and technologies. Primary duties include the following:

**SAFETY and ENVIRONMENTAL:** Ensure O&M providers, Dominion Energy colleagues and you are in compliance and meeting Dominion's high safety and environmental standards. Work with Dominion's internal Safety and Environmental groups to review any incidents and identify opportunities to improve processes and procedures.

**OPERATIONAL EXCELLENCE:** Manage the performance of your sites. Lead efforts with internal and external team members to restore sites to production following outages. Identify opportunities to improve site performance. Work with O&M and other resources to put action plans together to improve performance. Develop and manage spare parts inventory.

**FINANCIAL:** Assist in the development and monitoring of O&M and capital budgets. Work with the Finance group to explain variances to budget.

**ENERGY MARKETING:** Work with Dominion's energy marketing teams to communicate any operational issues that could impact the site's energy output.

**BUSINESS DEVELOPMENT:** Manage relationships with stakeholders, landowners and lessors. Support Dominion's Business Development group as needed for project diligence efforts.

**LEGAL:** Assist in contract negotiations for the various services related to your projects. Develop an understanding of how PPAs, Leases, CUPs etc. affect your sites and assist in tracking and ensuring compliance.

*All applicants must apply online. Dominion Energy is an equal opportunity employer and is committed to a diverse workforce.*

# Renewable Energy Project Manager
