

PROJECTPATRIOT

Project Patriot is a national Veteran consulting program that helps infuse Veterans of the US Armed Forces and their spouses into our enterprise client workforce. We're giving back to those who have selflessly given themselves to this country through dedicated career coaching and transition assistance efforts.

HOW IT WORKS

NATIONAL NETWORK & PARTNERSHIPS

Our connections are focused on Veteran advancement within the civilian workforce.

VETERAN RECRUITING PROGRAM COORDINATORS

Dedicated Veteran Recruiters offer career coaching and professional development support.

SCREENING & SKILLS TRANSLATION

Assistance translating experiences into terminology related to the civilian workforce.

PROFESSIONAL DEVELOPMENT & TRAINING ASSISTANCE

Year-long Transition Assistance program and Technical Training.

HOW IT WORKS FOR YOU

CULTURE & ENVIRONMENT IMPACT

Veterans' unique training sets them up for success in team-oriented environments.

FILLING SKILL GAPS

Veterans' experiences during active duty help fill workforce gaps in today's tech environments.

COMPLEMENTS EXISTING VETERAN PROGRAMS

Project Patriot complements your existing initiatives through our national partnerships.

FLEXIBLE ONBOARDING

Flexible onboarding through consulting or right-to-hire engagements.

WHAT CAN A VETERAN BRING TO YOUR TEAM?

- ▶ Leadership
- ▶ Dedication
- ▶ Initiative
- ▶ Sense of Urgency
- ▶ Problem Solving
- ▶ Attention to Detail
- ▶ Process Improvement
- ▶ Loyalty
- ▶ Integrity

90% of Project Patriot consultants convert to FTE or complete their assigned contract.

Project Patriot consultants perform at nearly 70% production of senior-level resources after their contracts.
