

# You're invited | Operation Stagecoach: Transition Activation

Participate in our free webcast and learn about career opportunities for veterans at Wells Fargo.

At Wells Fargo, we believe each of our team members offer something extraordinary, and know that military experience is a tremendous asset to our work environment. That's why we're committed to hiring military veterans, veterans with disabilities, and active military Reserve and National Guard personnel to join our team. We think that you'll find that Wells Fargo's culture is very similar to the Armed Forces: structured, team-oriented, collaborative, and challenging. Discover how your military experience has prepared you for success in the Financial Services Industry.

## We will discuss:

- Our many lines of business and where you may fit
- On-boarding Support
- Specialized Training Programs
- Professional Development
- Team Member Networks
