

Veteran Employment Transition (VET) Program

Today,
a leader for our country.
Tomorrow,
a leader for our company.

We believe each of our team members offer something extraordinary and we consider military experience a tremendous asset to our work environment. That's why we're committed to hiring military veterans, veterans with disabilities, and active military Reserve and National Guard personnel. At Wells Fargo, we pride ourselves on being a great place to work and to achieve work-life balance. As a team member, you'll receive a rich selection of benefits you can personalize to support your health and well-being, retirement, financial security, and work-life needs, including time off to participate in community service activities that are meaningful to you.

Program overview

The VET program is a nationwide 8-12 week spring internship that converts directly to a full-time opportunity based on performance. As an intern in this program you'll develop an understanding of the day-to-day responsibilities of a full-time Wells Fargo team member, gain professional experience, build relationships by networking, and learn through on-the-job experience and participation in special training opportunities.

Is this program right for you?

We're hiring a class of 40-60 interns to begin on March 30, 2020, starting with an intensive training and orientation led by professional instructors and senior Wells Fargo team members. You'll network with your peers and Wells Fargo leaders while developing your skills and knowledge of our financial products and services before joining a team of experienced Wells Fargo team members for on-the-job training and development.

If you are a problem-solver who enjoys working in a fast-paced environment, working hard to achieve a goal, learning new things, and improving yourself, this program might be a good fit for you. In addition, successful candidates are team-players who work well in a collaborative environment and have strong situational analysis skills. All ranks are encouraged to apply as we are hiring at multiple levels.

Applicants for this program must be off of ACTIVE DUTY no later than March 30, 2020 (no exceptions except: terminal leave and/or traditional Guard or Reserve status, these are eligible). If you are chosen as a final candidate, you must be able to attend one of two final round hiring events in order to be considered for the program. These regional hiring events will take place in San Francisco (January 29-30, 2020) and in Charlotte (February 12-13, 2020). Travel and accommodations will be covered by Wells Fargo.
