

October is Adopt a Shelter Dog Month

Whether you are ready to adopt a dog in search of their forever home or not. There are many ways you can celebrate and assist our furry canine friends this month!

- Collect supplies! Check out their wish lists or reach out to see what they need.
- Get the word out! Talk to friends and neighbors... use social media by liking & sharing posts of adoptable dogs!
- Say thank you to the workers and volunteers of shelters and rescues. Write a thank you or drop off some special treats to say 'thank you' for all you do.
- Delivery homemade dog toys / treats.

Check out the list below for shelters and rescues we, at The Giving Tree, work with throughout the year. You can get more information on adoption, fostering and everything you need to help rescue dogs in our community!
