

Benefit for DOUG ROGERS

Doug Rogers, a graduate of Clintonville High School, was known by his distinct voice on the radio broadcast of the WTCH Breakfast Club and morning show and prior to that on WJMQ morning show.

Saturday, March 27

Starting at 2pm

Shawano Lake Golf Course

W5714 Lake Drive, Shawano, WI

July 2020, Doug had to leave work and was taken to the Emergency Room. By August Doug was diagnosed with Bladder Cancer. September 2020 he went in for his first round of chemo treatment and complications came up. On October 13th, Doug was then diagnosed with Bone Cancer in his ribs. Many setbacks and hospital stays have happened since then. In January, Doug's cancer was diagnosed terminal and gone into his liver.

But even through all of this, with his wife Vicki at his side.....HIS SPIRITS WERE HIGH & WITHOUT A DOUBT THIS MAN IS A HERO AND A STRONG FIGHTER! Unfortunately Doug passed away on January 30th.

We are asking for YOUR help to help offset the financial burden.
