Rebrand Sponsorship opportunities – prices and terms vary (NEW)

Along with our traditional conference sponsorship opportunities, KSBA is excited to announce additional opportunities for the 2020 conference as part of our association's upcoming rebrand. At the February conference, KSBA will be unveiling a new look – logo, colors, tagline, etc. – and we invite you to be part of the celebration. We are offering a limited selection of co-branding opportunities, providing you unique placement alongside KSBA's new brand. Opportunities include:

Conference bag sponsor (in kind) – Pending design approval from KSBA, this sponsor will provide roughly 1,000 conference totes, given to attendees at registration. The tote will feature KSBA's logo, conference insignia and sponsor logo. **Tier 2 priority registration included.**

Lanyard sponsor (in kind) - Pending design approval from KSBA, this sponsor will provide roughly 1,000 lanyards, worn by all conference attendees. The lanyard will exclusively feature the new KSBA logo. Attached to the name badge will be a promotional card for the sponsor. This card can then be used to collect attendee contact information, submitted to the sponsor's booth for a chance to win a draw prize. Prominent signage of sponsorship will be placed at registration. **Tier 2 priority registration included.**

Commemorative beverage container (in kind) – Based on association feedback, our members wish they had easier access to water and other beverages throughout the conference weekend. A reusable drink container – such as a thermos, bottle, tumbler, etc. – would be an instant fan favorite. Pending design approval from KSBA, this sponsor will provide 1,000 containers for inclusion in attendees bags. The container will feature the new KSBA logo, conference insignia and log of sponsor. **Tier 2 priority registration included.**

KSBA is also open to hearing any ideas you have for celebrating our brand rollout. Contact Josh Shoulta as soon as possible if you wish to propose additional cobrand sponsorships and commemorative items (pending design approval from KSBA). Some items may even be included in conference attendee bags!

Benefits of sponsorships may be subject to minor logistical changes due to unforeseen conference site changes.
