TABLETS AVAILABLE FOR HOMEBOUND & PEOPLE WITHOUT INTERNET

The special gifts team has granted funds to allow the church to purchase tablets that our worship services can be loaded onto and delivered to those in our church family who do not have access to the internet or television broadcasts so that they can view our worship services. The devices will then be delivered to the homes of the people who have requested them with our current worship service ready to view. When you have finished viewing worship, simply call to have the tablet picked up for the next person to use. (We do have the ability to sanitize the tablets between users.)
