Sign Up Reminder

We are relying on sign up of volunteers for both special and weekly church activities, including ushering. Please use either the signup books/flyers in the hallway near the Gathering Area….or …. ***Sign up online using the convenience of your smart phone or computer by going to the church website or using links provided in the newsletter.***

Office Contact

There may be occasions where Anna has to leave the office to complete errands for the church. During these times she will post a notice with a return time at the east (parking lot) entrance. If it is important that you see someone in the office, please schedule an appointment or call ahead to ensure someone will be able to help you. Regular office hours are 8:30-3:30, Mon-Wed and Fri. The office is closed Thursdays.

Revision of Church Organization

The consistory is looking for individuals to revise the church bylaws, reflecting the team approach the congregation has discussed, based on the Five Practices of Fruitful Congregations. Our goal is to create a smaller, simpler organization to allow our members to worship, express their faith and minister to others. Please consider this opportunity and contact Pastor Hoppert or the church office if you are willing to serve.

Property Help Needed

The property committee has begun removing shrubs needing replacement near the church entrances and could use some additional help. Please contact Terry Risse or the church office for details.
