CHURCH ANNOUNCEMENTS

TABLETS AVAILABLE FOR HOMEBOUND & PEOPLE WITHOUT INTERNET

The special gifts team has granted funds to allow the church to purchase tablets that our worship services can be loaded onto and delivered to those in our church family who do not have access to the internet or television broadcasts so that they can view our worship services. The devices will then be delivered to the homes of the people who have requested them with our current worship service ready to view. When you have finished viewing worship, simply call to have the tablet picked up for the next person to use. (We do have the ability to sanitize the tablets between users.) If you or someone you know would appreciate viewing worship this way, please contact me (Marsha 838-1466) or the church office (892-7456) to make arrangements.

SPECIAL GIFTS TEAM REMINDS YOU …

You have the opportunity to submit a request for financial assistance for continuing education. A scholarship gift of $500 is available for funding any post-secondary education, including technical colleges as well as four-year degree schools. Grant request forms are available from the church office. The deadline for requests is June 30. If you have any questions, please feel free to reach out to one of our team members: Mary Mullen, Michelle Mauk, Rachel Risse, Cindy Conrad or Rev. Hoppert.
