### MONDAY

#### Cartoon Drawing

##### **4pm-4:30pm / 1st grade on up / Class size: 3-8 students**

Learn to draw and design cartoon characters, using the Preston Blair method, which helped to create Woody Woodpecker and Tom and Jerry. Your child will learn to create lines of action, head construction, cute and goofy characters, heroes and heroines; reaching a level in free drawing their own characters into a Comic Book and/or Graphic Novel.

#### Acting

##### **6pm-6:30pm/ 2nd grade on up/ Class size 3-8 students.**

Calling all Actors and those who have always wanted to learn about acting. This class will cover character development, facial expressions, voice and breath quality. This will be done through Acting games, improve, monologues, and story telling. This exciting class will be taught by Mr. Jerry Willis who has a Master in Theater,

### TUESDAY

#### Songwriting

##### **5pm-5:30pm / 7yrs on up / Class size: 3-8 students**

If you find yourself singing melodies, writing poems, creating amazing chord progressions on your instrument then this is a class for you. You will learn how to put all those skills together into a song. Ms. Alicia Carol will be teaching this class. She has been writing songs for over 20 years and loves helping new songwriters to find their own unique voice through songwriting.

#### Ukulele

##### **5:30pm-6pm / 6yrs on up / Class size 3-8 students**

This class will cover a range of skills from learning the parts of the ukulele to holding it, basic tuning, strum patterns, basic chord functions and playing the instrument. Students will learn how to play songs from multiple genres, as well as create their own songs! Ms. Alicia Carol, who has a Masters in Music, will be teaching this fun and silly class. She loves creating new songs and seeing each student grow in their abilities. Be prepared to sing, strum and have a lot of fun!

## **WEDNESDAY**

### **Vocal Performance**

#### **4pm-4:30pm / 5yrs on up / Class size: 3-5 students**

If you love to sing and act this is a class for you! This class will be covering proper vocal techniques, warm ups, exercises, breath support, learning how to develop a character and act through a song. Your child will have the opportunity to work on solo songs. This class will be taught by Ms. Alicia Carol who has a Masters in Music and a Bachelors in Vocal Performance with a Minor in Theater.

### **Creative Writing**

#### **4:30pm-5pm / 5th grade on up / Class size: 3-8 students**

Do you like to write stories? Maybe you have a great story idea in your head and you're having trouble getting it down on paper. Or, would you simply like to improve your writing skills? This class will give you many tricks and tips on being a better writer. The class is taught by a college level writing professor and you're sure to improve your creative writing skills.

### **Music Theater**

#### **5:30-6pm/ Kinder on up/ Class size 3-8 students**

Explore Musical Theater! A combination of music, improv, dancing and theater set-up will be in this class! During this course your child will learn to create an environment of exploration of musical theatre through acting, movement and song. Students will write their own story with guidance. They will help with the creation of props, small costume pieces and design a backdrop. This exciting class will be taught by Mr. Jerry Willis who has a Master in Theater.

### **Beginning Guitar**

#### **6pm-6:30pm/ 7yrs on up/ Class size 3-8 students**

If you have always wanted to play the guitar or are a beginner this class is for you. This class will cover a range of skills from learning the parts of the guitar, digital tuning, strum patterns, basic chord functions and playing the instrument. Students will learn how to play songs from multiple genres. Ms. Alicia Carol, who has a Masters in Music, will be teaching this class. She loves seeing new players excel and grow in their abilities. Let's strum along and have some fun!
