School Year 2021-2022

Purchasing Snacks/Ala Carte Sales, Extra Entrees (“Seconds”), & Negative Balance
Please Advise Nutrition Services if you DO NOT want your child to participate in any of
these purchasing options.

Our goal in DCSD Nutrition Services is to serve great food to your great kids!

- We have an Elementary program your children may know as “**Seconds**”...If your child wants an additional entrée they may pay the additional price of \$2.25 for a second entrée serving. Pricing may vary at Charter Schools.
- We have an Elementary program your children may know as “**Snack or Ala Carte Sales**”...If your child wants to purchase an additional Snack item or an A la Carte Sales item (including milk) they may pay the additional price of \$.50 to \$2.50 for an item.
- Our Elementary program allows students to purchase a meal (not snacks or ala carte) if their balance is low which may put their account below zero giving it a negative balance.

We have found that some parents do not desire to have their child participate in purchasing extra food or incurring a negative account balance for health or financial reasons.

If you DO NOT want your child to have extra food and/or create a negative balance (charging) on their account, for faster results, complete the online form on the MySchoolBucks.com's Parent Welcome page. Just click on the BLUE link “[Click here to request purchasing restrictions be added to your student’s lunch account.](#)”, OR please complete the form below and return to DCSD Nutrition Services/
