Re: Peter Plumber  
Limited Gas Work Qualification

To whom it may concern:

Please be advised that Peter Plumber has been a full-time direct employee of Joe T Plumber from **(date of employment)** to the present, over the age of 18. His job title is plumber's helper. His duties consisted of assisting other workers in completing all aspects of Plumbing work as defined in the NYC Administrative Code. During his employment he has worked under my direct and continuing supervision as defined by the NYC Administrative Code and has acted responsibly and respectfully.

Based on his knowledge, skill, competence and job performance I find him to be fit to work on gas piping under the personal and immediate supervision of myself, or one of my employees that hold a full gas qualification certification.

If you have any questions, I can be contacted at 212-375-8490 or by e-mail at [joet@theplumber.com](mailto:joet@theplumber.com)

.

Very truly yours,  
Joe T Plumber Inc.
