

RAZOR WRESTLING CLUB GOLF OUTING

BAITING HOLLOW
GOLF CLUB

Wednesday, July 1, 2020

HOPE YOU CAN JOIN US FOR A GREAT DAY OF GOLF, DINNER, AND FUN

After much consideration and with the re-opening of New York, we have made the decision to maintain our 13th Annual Razor Wrestling Club Golf Outing. We have held several discussions with the staff of the Baiting Hollow Golf Club and with adherence to COVID-19 procedures, we feel we can hold this very financially important event for our not-for-profit organization in a safe manner. This golf outing is our sole fundraiser each year and provides generally enough financial support to run our year round club. Monies raised will also help us in our continued support of the many great organizations that promote and enhance the sport of wrestling here on Long Island. By donating to these organizations, we help our young athletes participate in tournaments, camps, clinics, and provide the opportunity of scholarships. The Long Island Wrestling Association is a not-for-profit organization which assists and facilitates the dissemination of information about wrestling events and activities to wrestlers, coaches, parents and fans. The LIWA website is the wrestling source for all of Long Island. Friends of LI Wrestling is yet another amazing organization which supports our wrestling community and partners with the National Wrestling Hall of Fame inducting worthy Long Islanders into the Hall at the annual dinner banquet. Once again we will proudly support our Long Island College Wrestling Teams— Hofstra University and LIU Post Wrestling. Finally, we are proud and excited to announce that we have established an all-girls wrestling club located at Nassau Community College. Please continue to help us enhance the wrestling experience for young athletes and enjoy a fine day of golf.

RaZor Wrestling Club
PO Box 783
Shoreham, NY 11786

Covid-19 Procedures Reminders:

- One player per cart rule. Members from the same household may ride together. (If you come in the same car, you can ride in the same cart).
- Strict golf cart disinfecting procedures will be done after every round and a "CLEAN CART" tag will be placed on each cart after it has been disinfected. Remove this tag from your steering wheel and discard when starting your round.
- After your round, drive your clubs to your car and return your cart to the designated area. We don't want used carts to be accidentally mixed in by the flagpole.
- "Keep the flag in at all times" will be the new policy to minimize handling the flagstick. Holes have been shallowed to make it easy to retrieve your ball without touching cup or flagstick.
- Rakes are removed from course (smooth traps with feet or clubhead). Lift, clean & place rule for all bunkers.
- Ball washers are removed from golf course.
- Balls will be set up on range in range boxes – no hands to set balls up.
- Participants are asked to refrain from gathering in groups on the golf course and to respect the social distancing protocol at all times.
- The halfway house bathrooms (by the 10th tee) will be open and disinfected regularly.

Once again, we expect everyone to follow these rules to do our part in reducing the spread. We are all in this together...
