### PRAYER OF CONFESSION

Loving God: we confess that the business and burdens of life distract us from what truly matters. We often do not greet the day with a song in our hearts. We do not pay enough attention to those whom we love and love us. We become over-occupied with trivial matters. We neglect what should be done. We let past hurt harm our present. We are too prideful to esteem others. We tend to be too self-focused to notice your presence and that of others. All the while, we forget what is most important: love, kindness, patience, goodness, faithfulness, and joy. In these moments of silence, center us and guide us toward a path worth taking.
