Repertoire You Can Count On!

Saturday, February 8, 2020 at 10:00 a.m.

St. Andrew's Episcopal Church
45 Main St, Newport News 23601

Join us for a wonderful educational opportunity to explore 'tried and true' repertoire for choirs and organists. The need to prepare fine music for each worship opportunity is the goal of every church musician. Five of our experienced colleagues will bring us five compositions each which they enjoy using. These choral anthems or organ works are their 'go to' pieces and they will share them with YOU!

The five presenters represent different denominations and works with small and/or volunteer choirs. Their selections will address work with amateur singers as well as offering music for a variety of worship styles. This is a practical workshop from which all church musicians will benefit. Don't miss it!!

Presenters:

Roy Belfield, Brad Norris, Pat Spoettle, Nicholas Steltzer, and Martin Sunderland

Free and open to all. Refreshments following.
