SPECIALTY SESSIONS AT CHANCO

Mariner's Camp: This is one of our most popular camp sessions often filling with a wait list! This session involves extensive skill building in sailing and nautical skills and is the perfect session for an older camper who would like a different Chanco experience and who loves being on the water. Due to a wait list for this session every year, there are now two Mariner's Camp sessions to choose from!

Family Camp: This session offers campers of all ages a chance to enjoy Camp Chanco together. It includes many of the favorite traditional camper activities and you choose how to spend your day! Stay in chalets or pay a bit more and stay in motel lodges. This session is the perfect opportunity to introduce a new camper to Chanco or to reunite with camp friends. It is an incredible, affordable family vacation!

Ropes Camp: Challenge yourself to new heights on high elements and experience team building on the low ropes elements. This camp program will include more intensive ropes skill building, new and different ropes activities, more zip lining time, and a deeper understanding of the ropes experience. This session is perfect for someone aspiring to be a ropes course counselor or who simply loves ropes course adventures!

2020

Winter Camp: This session is for campers ages 7-12 and involves many of the traditional activities of summer camp. It is the perfect opportunity to reunite with old camp friends or to introduce a younger camper to Chanco before a one or two-week session the following summer.

Senior Week: This session is for campers who have completed grades 9-12 and involves many of the traditional activities of summer camp along with special activities geared for the older camper. It is the perfect session for our older campers and our EYC friends who may have never attended Camp Chanco before.

NEW Wilderness Adventure Camp: A brand new session this year, Wilderness Adventure Camp for ages 10-14, this session will focus upon building wilderness survival skills, outdoor cooking skills, fire building, knot tying, orienteering and team building along with many favorite traditional camp activities. Interested in building a shelter in the woods and then sleeping in it? Then this session is for you! Join us for this NEW adventure camp at Chanco this summer!
