

EXPERIENCE THE CELEBRATION OF DENTISTRY

A SNEAK PEAK AT THE TEXAS ACADEMY AWARDS

For many years, Texas AGD local components and Texas Dental Societies have been joining together to celebrate dentistry and to honor hundreds of nominees for the Texas Dentist of the Year™. In recent years, the New Dentist of the Year award was created to honor emerging leaders in dentistry. Together, these nominees and the winners are celebrated at the Texas Academy Awards. We invite you to celebrate your profession and live the experience of the Texas Academy Awards.

HOW DO YOU BECOME NEW DENTIST OF THE YEAR?

The New Dentist of the Year award started in 2009 to recognize emerging young leaders in the field of dentistry. Winners are greatly involved in their dental school, contributions to dentistry, service to their communities and have a clear vision for the future of dentistry.

HOW DO YOU BECOME TEXAS DENTIST OF THE YEAR™?

Since 1965, the Texas Academy of General Dentistry selects one dentist to honor as the Texas Dentist of the Year™, **the highest honor a Texas dentist can receive.** Winners not only excel in the field of dentistry, but also dedicate themselves to their communities through volunteer work for various causes that they are passionate about.

WHY SHOULD YOU ATTEND THE TEXAS ACADEMY AWARDS?

The Texas AGD awards ceremony is one of the best times in dentistry. In addition to seeing all of my lifelong friends, we get to celebrate all that is good about our profession. I plan to be there every year and celebrate our profession with my dental family.

- Dan McCauley, DDS, FAGD

WHAT DO PAST WINNERS HAVE TO SAY?

I am so honored to have been chosen from among this group for this award. The Texas Academy of General Dentistry has become family to me, and I cannot express enough what it means to me to represent this group.

- 2016 New Dentist of the Year, Hanna Lindskog, DDS, FAGD

Receiving this award is one of the most thrilling, yet humbling events of my lifetime. Being named Texas Dentist of the Year™ has multiplied my desire for excellence tenfold.
