

**The Central MN Council on Aging is pleased to partner with Moments Hospice to offer a virtual webinar “The 7 Keys to Healing from a Loss” featuring guest speaker and author, Gary Roe. (Please see the attached program flyer)**

2020 was a year of profound, debilitating grief. The sheer amount of change was stunning and crippling. For those of us who lost family members or friends, COVID added a thick, suffocating layer of complication to our grief journeys. This session will give you keys to healing from the loss we've all suffered during the COVID-19 Pandemic.

- Better understand the impact loss has on your life
- Handle the roller-coaster emotions of grief
- Navigate changing relationships in healthy ways
- Adjust to a new future and begin to live again
