The screenshot shows the USGA Golf Handicap Information Network interface. At the top, there are navigation tabs: POST SCORE, GOLFER LOOKUP, STATS, HANDICAP CALCULATOR, and HANDICAP HISTORY. The main content area displays a score entry form with columns for holes 1 through 9 and a TOTAL column. A dialog box is open in the center, displaying the message: "You have not entered a score for every hole. If you post your score, it will receive an 18-hole Score Differential used for your Handicap Index." The dialog box has two buttons: CANCEL and POST SCORE. A green arrow points to the POST SCORE button in the dialog box. Another green arrow points to the POST SCORE button at the bottom of the score entry form. The background shows a grid with columns for holes 1-9 and a TOTAL column, with rows for YARDS, PAR, STROKE INDEX, SCORE, and ADJ. SCORE. The SCORE row shows a score of 5 for hole 1, 4 for hole 2, and 3 for hole 3. The ADJ. SCORE row shows an adjusted score of 5 for hole 1, 4 for hole 2, and 3 for hole 3. The TOTAL column shows a total score of 12 and a total adjusted score of 54. A green arrow points to the number 12 in the TOTAL column. The interface also shows the user's name, Christii Watkins, and the USGA logo.
