RICHMOND, VA

TEE IT UP WITH PAM

Our Tee Party Scramble was a huge success and we owe it all to YOU and our wonderful SPONSORS. We had over 115 golfers attend the event and feedback on the day has been outstanding. Without your participation, the day would not have been such a success and we would not have accomplished our fund-raising goals. Funds raised will allow us to deliver on our mission of helping women connect through golf and providing them with opportunities for both personal and professional growth, as well as, giving back to our community through our partnerships with

Reynolds Community College and First Tee of Richmond VA. THANK YOU...THANK YOU...THANK YOU!!

Days like that remind me of just how fortunate we are to play this wonderful game of golf and how lucky we are to be surrounded by such a great group of women. When we put our minds to it...we can make things happen that have such a huge impact.

I was reading an article the other day in Golf Digest about a professional golfer that discussed how golf is his JOB. He spends countless hours on the range or golf course working on his game. He obviously is a master of this great sport. However, he has not played a casual round of golf "for fun" in years and when he retires, he said he will probably never pick up a club again. How sad is That?? Let's all remember that it doesn't matter how good or bad we play or whether we have a high or low handicap....it's about being outside on a beautiful day playing golf with great people...let's get out there and remember this is not a job and just have some FUN!!

Looking Forward to my Next Round of Golf!
Pam
