

APPLY WITH CONFIDENCE

Review before spraying to ensure successful application. For detailed instructions, visit Enlist.com/Apply. Always follow all label requirements.

Before Spraying

APPLICATION WINDOW

Are my Enlist™ crops within the right **growth stage window** for applying an Enlist herbicide?

TANK-MIX PARTNERS

Have I checked **EnlistTankMix.com** for qualified tank-mix products before planning my application?

NOZZLES

Am I using only nozzles and pressure combinations **listed on the product label**?

SPRAYER CONTAMINATION

Is my sprayer **clean** from prior applications to avoid tank contamination?

PAY SPECIAL ATTENTION TO WIND & WEATHER CONDITIONS

WIND SPEED, WEATHER

Is the wind speed **no more than 3 to 10 mph**?
Have I made sure there is **no temperature inversion**?

SUSCEPTIBLE CROPS

Is the **wind blowing away** from susceptible crops, including cotton without the Enlist™ trait, tomatoes, grapes and cucurbits?

Application

SPRAY VOLUME

Am I applying a spray volume of water ranging from **10 to 15 gal./A** for best results?

SPRAY RATE

Am I spraying Enlist Duo® herbicide at **4.75 pt./A** or Enlist One™ herbicide at **2 pt./A**?

SPRAY PRESSURE

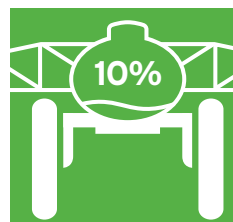

Am I spraying at the right **pressure** based on the product label and current conditions?

BOOM HEIGHT

Have I **consulted the nozzle manufacturer** for optimum boom height when applying an Enlist™ herbicide?

CLEANOUT

Am I clean-water flushing with **10% of tank volume**?
Am I **triple-rinsing** when application is complete?

 **Enlist Duo**
HERBICIDE
WITH COLEX-D TECHNOLOGY

 **Enlist One**
HERBICIDE
WITH COLEX-D TECHNOLOGY

Call 855-ENLIST1 (855-365-4781) with questions about proper handling and use of these products or if you become aware of potential misuse or incidents involving these products. This reference guide is not a substitute for reading the labels for Enlist One™ and Enlist Duo® herbicides. Please read before application each corresponding label, which can be accessed on Enlist.com/Herbicides. Always check your state regulations and follow all state requirements for Enlist™ herbicides.
