Webinar Sessions

Duration: ***one hour***

This workshop describes the Invitation to Serve Recruitment process. This is a successful program used to recruit new members either for an existing Conference or for a new Conference. This one-hour training will help you organize your recruitment effort.

This is a virtual interactive presentation rather than an in-person training and requires your attendance through the use of a computer, ipad, or like device. To participate, you cannot attend simply by phone because you must see the presentation as well as hear it.

Who should attend?
