Lord, make me an instrument of your peace . . .

Are you longing for greater peace in your life?

Come, see how the Lord can touch your heart, deepen your Vincentian vocation, and help you become an instrument of peace in your home, in your Conference, in your community, and in your Parish.

Join us as we pray and reflect on the Prayer of St. Francis

We welcome and encourage all Vincentians to join on Saturday, August 29, 2026

Check-in starts at 9:00. Our day will begin with mass at 9:30 followed by periods of prayer, reflection, and conversation with other Vincentians as we examine and consider every detail of this beautiful prayer for peace.

The day is scheduled to conclude at 3:30, so lunch will be included . . .

Location: Queen of Apostles Parish 4412 N. Western, Chicago.
 (This building is a block away from the church.)

Growing together in holiness is the most important thing we do as Vincentians, let's also grow in peace together. See you there.
