HOW WOULD YOU BE MAKING A SUCCESSFUL CONTRIBUTION AS AN MREB DIRECTOR?

Gurinder is excited to make a deeper contribution to the Mississauga Real Estate Board after serving on the golf committee for the past 2 years and the Finance Committee for the past year.

Gurinder became a licensed REALTOR in 1987 and in 2017 became Broker/Co-owner of RE/MAX Realty Services (RRS). RRS services the region of Peel. This company was formed 40 years ago and currently has approximately 300 agents.

Gurinder joined RE/MAX in 2010 as Chief Financial Officer for RE/MAX Integra. In 2011 he also started his dual leadership as Regional Director for RE/MAX Ontario-Atlantic. His previous tenure as a licensed, frontline realtor has helped him gain a unique perspective of the industry. The real estate industry is going through unprecedented change and Gurinder's deep experience will go a long way in helping him contribute to the considerable progress already made by the board of directors of MREB.

Gurinder holds a Bachelor of Arts Degree (BA) in Economics from York University and has a CPA designation.
