**HOW WOULD YOU BE MAKING A  
SUCCESSFUL CONTRIBUTION AS AN  
MREB DIRECTOR?**

During my two years with the Board, I served as Chair for the MLS® & Technology Committee. I also served as Co-Chair on the Communications Committee where I provided input on communications the membership received.

As Vice President, I contributed to and supported several ideas that would directly benefit MREB members; viewing them from a practising REALTOR'S® perspective.

With your support and your vote, I will continue to provide the Mississauga Real Estate Board with innovative ideas and intelligent suggestions that would positively affect the way our members conduct their business.
