

# HUB International's Insurance Program for Hotels & Resorts

Discover why HUB is the preferred broker for many national franchises and associations, including the MLHA

As the fifth largest insurance brokerage globally, HUB specializes in the hospitality industry and is committed to providing comprehensive insurance offerings that are both efficient and easy to manage. Locally in Montana, we have exclusive access to key insurance carriers that help control the rising costs of insurance for hoteliers.

Through our strategic partnerships with global carriers, we've developed products and coverage options, helping ensure best-in-market solutions at competitive rates.

## What does the program offer franchisees and operators?

### 1. BUSINESS INSURANCE

Business coverage options include Property & Casualty, Employment Practices Liability, Cyber Liability, Errors & Omissions, and Directors & Officers policies. All of these proprietary offerings provide best-in-class coverage and are designed to meet brand standards.

### 2. EMPLOYEE BENEFITS

Custom-designed benefits packages for the hospitality industry for both full-time and part-time franchised hotel employees.

### 3. RISK SERVICES & DISASTER RECOVERY ASSISTANCE

HUB's Disaster Recovery Services (DRS) division helps your business recover physically and financially after a loss event. Bringing decades of experience in disaster preparedness, planning, real-time response coordination, damage mitigation, forensic accounting, and financial recovery, DRS offers a wide range of services to help protect your hotels and get you back up and running as quickly as possible.

We were not compliant by our brand standards with our insurance policies. We reached out to our current brokerage firm and other firms, and they were not able to help us. When we got in touch with Hub International, they did everything possible and as fast as they could to get us proper coverage and be industry compliant. HUB International will be our trusted partner for all our insurance needs. Their exceptional customer service and comprehensive coverage options have given us unparalleled peace of mind. We highly recommend hub international to anyone seeking reliable and affordable insurance solutions.
