The Chatham Synagogue/Netivot Torah 20th Anniversary Celebration

July 13th, 2019

Expected number of attendees: 150 - 175

On July 13th The Chatham Synagogue/Netivot Torah will mark its 20th anniversary with a gala celebration, held in a tent in the Synagogue's backyard. The evening will feature a catered dinner and a program of remarks, a looped slide show of photos of our 20 years history, and live music. We are also producing a commemorative printed journal containing reminiscences about our founding and 20-year history.

Over the past 20 years, TCS/NT has grown from roughly 40 member families to more than 140 member families. Our membership is made up of both full-time Chatham-area residents and weekenders from New York, New Jersey, and Boston.

TSC/NT has deep roots in the community and regularly presents free or low cost cultural and entertainment events that are open to the public. The Synagogue actively engages with the broader interfaith community, collaborating with local churches on educational and cultural programs, most recently an interfaith prayer service to commemorate those who were killed in the Pittsburgh Synagogue shooting. That service was led by interfaith clergy from throughout the area and nearly 300 people attended.

Your ad in the 20th Anniversary program will help us continue to provide educational, entertainment, and cultural events open to the Chatham-area community, and to organize community-based social action programs, as well as interfaith activities.

We thank you for your generous support.
