

## 'TAKE STOCK' IN FUMC KIDS

Dear Friends,

It is our pleasure to announce the FUMC Kids Camp Stock Program for 2019!

All children need God, not just the ones that are members or our church family. It is our calling to GO to these children. First United Methodist Church has been hosting summer camps for children and youth for over 30 years. For the kids, this means digging deep into God's word while experiencing the most amazing adventures imaginable; it means having time of steadfast focus on the Creator in the midst of climbing, swinging, jumping, competing and making noise; it means experiencing the reality of God's love through the coolest counselors you have ever met and experiencing the craziness of the friends you bring, meet, and make every day; most of all, it means a life changing encounter with the One who loves you most in the midst of experiences you will never forget.

We are currently in the process of putting together a Scholarship Team that will be working with elementary schools and non-profit organizations in our community to identify children that would benefit from FUMC camp scholarships. We are asking YOU to "Take Stock" in these children.

Each investor will receive a stock certificate and quarterly updates on activities as we prepare for our summer. In return for "Taking Stock," you will be invited to join us for our Stockholder's Dinner. During this catered event there will be a slideshow and testimonies from our camp ministries throughout the summer. We would like to show you how even a small investment makes a BIG difference!

***"For you, brothers and sisters, were called to be free. But do not use your freedom to indulge in the flesh; rather, serve one another humbly in love." Galatians 5:13***
