

## PD Shorts

**Join Us | 1/22/21**

### **Socratic Seminar During Remote Learning**

*Hosted by Susan Midlarsky*

Productive discussions during remote learning can pose a challenge as each participant is physically alone. However, using Socratic Seminars can create a supportive, student-centered learning environment in remote learning. During this PD Short, participants will learn ways to use the Socratic Seminar method to develop rich discussion across content areas.

Audience: Middle and High School Teachers
