Integrity. Security. Excellence.

Hi I'm
Lacey

My family and I moved to Cumberland in August of 2019, I have been married to my husband Andrew since 2002 and we have three beautiful daughters, Kaitlynne (16), Addison (10), and Tessa (5).

We are very active in our county's FFA Program, where my daughter has held an officer position for the last three years and where I hold the title as "Club Mom"

I have a huge heart for all creatures which is why we own a miniature "almost farm" (aka work in progress) which houses our collection of Horses, Cows, Chickens, Ducks, Cats and Dogs. (If it were up to my children we would have one of everything.

I enjoy going to the beach, love camping and being outside. I have mastered fence fixing, bottle feeding calves, chasing chickens and egg collecting. I don't have much free time, but I do get to enjoy farm living and teaching my daughters the importance of Agriculture.
