

Settlement/Escrow Back-Office Support and Services for Attorneys

Integrity. Security. Excellence. Bankers Title's skilled and dedicated team of experienced professionals are focused on meeting each client's unique needs.

Our knowledgeable team includes two Certified Commercial Underwriters and two commercial certified settlement/escrow officers with over 20 years of paralegal experience. We take pride in delivering exceptional service for any size, type, and complexity of purchase, construction, or refinance commercial transaction.

Our comprehensive Settlement Services include:

- We proudly offer back-office support for Attorneys with limited staff or those who prefer not to handle the funds and disbursement.
- We work with the Attorney behind the scenes to prepare the Settlement Statement, clear title requirements, and deliver the closing package to the Attorney to conduct the closing with their client.
- Bankers Title will handle all funds and disbursements
- Competitive all-inclusive fee for this service
- The Attorney instructs us on how they would like the communication with the client to be handled. We can communicate, or the Attorney can be the primary contact point.
- Our fee is all-inclusive, with no additional fees added for wires, courier fees, overnight fees, release tracking fees.
- Outstanding service and turn-around time
- Free up your internal resources for more critical jobs and allow Bankers Title to take on the time-consuming tasks of preparing a settlement.

Banker's Title is ALTA Compliant and RESPA Compliant, with a focus on preventing fraud in real estate transactions.
