

Add Your Story to the Book of Life

The Book of Life is a collection of essays that record the personal histories and the Jewish values that inspired an after lifetime investment in our community's future.

Micki and Robert Seinfeld's focus of their legacy gift is to support the annual JCC Jewish Film Festival.

Films with a Jewish theme have always been a major source of education, entertainment and history for the Jewish community.

To learn more about adding your story to the Book of Life, contact Caren Goldberg, executive director of the Jewish Community Foundation, at 414-390-5737 or CarenG@MilwaukeeJewish.org.
