Make A Bigger Impact with Your Giving.

Establishing a Donor Advised Fund with the Jewish Community Foundation is quick and easy. And, you can support your favorite causes and receive tax advantages all at the same time.

With \$2,500*, you can open a fund for your charitable giving and get these benefits:

- Eligible for immediate tax deduction, then recommend gifts on your own timetable
- Give to Jewish and non-Jewish charitable organizations
- Maximize your charitable impact with sound investment options
- Receive personalized customer service
- Secure online access to your fund 24/7

* Open a fund with \$5,000, and we will match your first grant to a Jewish organization up to \$500.

Now that's smart philanthropy.

***There's still time to open a fund before
the end of the year to receive a tax deduction!***
