**SUZY** is an Audit Managing Director in the Providence office of KPMG who serves clients in the consumer markets, technology and life science industries. She has fifteen years of experience in providing financial statement audits as well as audit of internal controls and attestation services. Suzy has provided audit services to multinational retail, manufacturing and life science companies of all sizes in accordance with PCAOB requirements, US GAAP and IFRS.

Suzy is a people and culture leader and continues to lead the implementation of new audit technology-based solutions. She developed tailored solutions utilizing KPMG's Data & Analytics tools.

She serves as KPMG's Community Impact Leader organizing local charity events and is a member of KPMG's Network of Women. She is a member of the Rhode Island Society of CPAs and the American Society of CPAs. She has a Master of Science of Accounting degree from Babson College.
