We are very excited to continue our Bolts Running Club for the 2021 school year. This running club will be available for all K-5th grade students. The team will practice Tuesdays and Thursdays 3:20-4:20. Any athlete that needs to be brought to ASEP will be dropped off by one of our coaches at the conclusion of practice. In addition to practicing, I hope to have them participate in two meets. We no longer have a max participant number. Let's have over 27 and make this the biggest Bolts running club we have ever had. I hope that you will consider joining the Bolts Running Club and enjoy the wonderful sport of cross country.

I hereby give my permission for \_\_\_\_\_ to participate on the  
**BOLTS RUNNING CLUB** during the 2021 season.
