

Farm Campus

The 4Roots Farm Campus was created with a simple yet profound belief: food has the power to transform a community. It's not just about cultivating crops, it's about cultivating lifestyles—a future where everyone has access to the resources and knowledge needed to thrive.

- John Rivers, Founder and CEO of 4Roots.

Located in the Packing District, an emerging neighborhood just two short miles from downtown Orlando, the Farm Campus will stand as a beacon of innovation and collaboration while cultivating a resilient and equitable food system for future generations.
