[About](#) [Agenda](#) [Institutions](#)

Join us **Tuesday, October 27th** from **4 PM - 7 PM** for our first virtual college fair for TCB students across the state of Texas.

This 3-hour, 100% virtual special event for Texas College Bridge students will focus on your needs and give you the answers to your questions about your next steps.

Join us for live sessions on:

- Getting your TCB Certificate of Completion
- Applying to College
- Admissions
- Financial Aid
- Choosing a Degree Plan
- And more!

The event will also feature representatives from participating colleges and universities – all of which offer TSI waivers for students completing TCB courses. Visit their booths to get valuable information on degree programs and chat directly with university and college representatives.

We hope you'll take advantage of this opportunity to learn about the options that are available to you. **It's free, virtual and easy.**

Texas College Bridge

Are you an 11th or 12th-grade student ready for your next big step?

With Texas College Bridge you can take college prep courses in math and English, **completely online**. The courses are tailored to you, covering only the skills you need. And if you need extra help or have a question, a teacher facilitator is a click away.

Texas College Bridge is self-paced. No strict schedule, no stress and on your own time. It also includes college and career resources like financial aid information, resume help and tips for finding the right college for you.

Along with our English and math courses, Texas College Bridge also offers College and Career Support, to help you prepare for your post-high school plans. This step-by-step guidance includes five individual modules you can work through in your TCB account. From the value of a college education and how to pay for college and to choosing a school and career that's right for you, our College and Career Support will help you get ready for your next step!
